# Amateur MILFs

Welcome to Amateur Milfs

A monthly appearing photomagazine, featuring genuine and real amateurwives from the neighbourhood on over 200 genuine photos, taken from amateurs.

This are not professional models shooted in a studio - this are ordinary housewives shooted from her husbands or boyfriends in explicit situations. So please don't compare the photo-quality with glamour magazines - even small and typical amateur errors like red eyes can appear but this is just another proof for the genuity of this exclusive photos, showing your neighbours nude and kinky!

Please subscribe that you don't miss further, monthly issues.
